

Community Connection is an active source of positive energy in Unity of Pasadena that supports the Board while reflecting the views of the congregation. This group originated with the Annual Meeting, but attendees expressed an interest in continuing to follow up in addressing ongoing issues at Unity of Pasadena. In earlier meetings, this group inspired and set in motion the Abundance Letter, which has led to a significant improvement in the current financial status of Unity of Pasadena. Other successes are sure to come from this dynamic group!

If you want to keep abreast of current issues and participate in planning at Unity of Pasadena, join us. At the present time, **Community Connection meets on Zoom at 7 p.m. on the third Monday of each month.**
