

Dear Unity Family,

For the next two weeks, (March 22 and 29), the Sunday service will continue to be streamed online, but will not be open to attend in person. We have also temporarily closed our facility to outside groups and meetings. These decisions were made in alignment with stricter social distancing guidelines set today by President Trump to impede the spread of the Coronavirus. We expect to stream the service again on our Unity of Pasadena Facebook page and our Youtube channel.

If you have not seen the streamed service from last Sunday, check it out on the Unity of Pasadena Facebook page. If you find it now, you'll know right where to go to find next Sunday's service.

Of course, streaming will not be an option for those who do not have a computer and Wifi. It will be important to find other ways of staying in touch with our non-techy brothers and sisters.

Again, on March 22 and also on March 29, join us for the 10:30 Sunday service streamed online, as the church building will not be open for you to attend it there.

We are also planning HeartBeat of Our Community groups meeting at noon beginning this Sunday via Zoom. Phone conferencing will also be available. An email will follow with more information.

Any offerings and tithes can be made either by mail or through the Unity of Pasadena website (click the DONATE button). Our payment processors are extremely secure (they have their own internal security gateways for your protection).

We are deeply appreciative of your commitment to our spiritual community. Please look for emails and updates from us regularly. This situation too shall pass; it has not come to stay. Your spiritual practice is more important now more than ever!

Blessings and love,

Your Church Staff and Board of Trustees
